

CAPABILITY STATEMENT

CORPORATE SNAPSHOT

GroundBreakers is a 100% veteran and woman owned non-destructive hydro-excavation company. Our mission is to lead the way and provide the best possible services to our customers. We deliver a partnership with our clients that builds trust and confidence through our safety controls and quality workmanship.

Our customer base consists of contractors, engineers, and facility owners in the oil and gas, power, municipal, transportation, industrial, utility, and commercial construction industries.

We serve the greater Midwest:
Indiana, Ohio, Kentucky.
